## Officers Speak...

Submitted by: Jonna Wright

The daffodils and tulips are starting to bloom all over the place. It is one of the first signs of spring. I don't know about you but Bill and I are definitely ready for the start of the riding season. This year's schedule is full of exciting rides to great destinations.

It's time to dust off and wash the bike. Change the oil, check the tires and give it a through once over. Some of us have been lucky enough to have gotten out a couple of times in the last few months and put some miles on the bike. Yep,

we have already taken the new wing in for it's 600 mile check-up.

With the start of the riding season, we need to dust off our riding skills as well and what a good time to have the ERC. Hopefully, this was very helpful in getting rid of the cobwebs. With that I will sign off and wish everyone a safe and fun riding season.

## Meeting Minutes

Submitted by: Sandi Redford

Meeting called to order by Steve Inouye at 7:38 P.M. Just a little late this time.

Visitors: A warm RMVTA welcome to Jerry & Dawn Viola. Jerry bought Tim Hawkins 86 Shadow. And to Jim Casey who rides a new 1800 Goldwing. We were also visited by member Jim Hailey who came in to talk to us about the "Run For Wall". More on that later.

Comments: John and Sandi arrived on a new scooter too! A brand new red and black Harley Davidson Ultra Classic. Just had to be different, didn't we?

## COMMITTEE REPORTS:

**Secretary's Report:** Motion to accept minutes by Karen, seconded by Tim.

## Gearing up for the Season.

RMVTA Members line up for their copy of the 2001 Ride Book. Books were distributed at the last meeting. If you were unable to attend, look for yours in the mail.

**Treasurer Report:** Jonna reports there is \$3,603.52 in savings, and \$1,982.86 in checking.

**Activities:** Floyd reported he has not been very active. This was confirmed by Mrs. Thorne.

**Ancillaries:** Kathy had no report

**Awards:** Jeannie was absent. No report

**Finance:** Karen had no report

**Historical:** Kathy had no report

**Member Relations:** Crane had no report

**Membership:** Robin asked that everyone check the membership list, and let her know of any corrections as soon as possible to get them on the new list.

**Newsletter:** Stan tells us everything is in good shape for the newsletter on the web and reminds us of the 23<sup>rd</sup> cutoff for the newsletter. Items are to be sent to Stan Stotz, at [stanstotz@home.com](mailto:stanstotz@home.com).

**Webmaster:** Stan tells us the ride book is on the web.

**50/50:** Ruth says buy tickets and lots of them. Actually John said it for her, but she agreed.

The Ride Committee report was to take place after the break, to give everyone who had not paid their dues a chance to do so, in order to receive their ride book. Extra ride books were available for purchase for \$5.00. There were a few “Special Edition Rambo” ride books available, featuring President Steve on the cover. I’m sure everyone remembers that picture.

**New Business:** Jim Hailey spoke to us about the “Run For The Wall.” It started 8-9 years ago by a couple of Viet Nam vets in California. This has grown into a national run from Ontario, CA and other locations to Washington DC, to join in the Rolling Thunder Parade there. They will be stopping in Cimmaron, NM on Friday May the 18<sup>th</sup>, and will be leaving for Limon, Co. that day. At least, that’s the way I heard it. All kinds of bikes are welcome, and you can join in anywhere along the route. Jim tells us this is not just another run. It is an extremely solemn, patriotic experience, and all kinds of people participate, from scooter tramps to rubs (rich urban bikers). For more information on the run and the route being taken, you can check out the web site at [www.rftw.org](http://www.rftw.org). I checked it out, and there’s a lot of good information there.

**Old Business:** Tim tells us the snow mobile outing was a success. Especially for missing link nominations. Tim says the snow was kind of rough in places, but a lot of fun too.

We had some discussion of the article written for the newsletter by yours truly. I had made lots of copies of the article to bring to the

*Nobody holds up a door like Ron and Tom.*  
RMVTA Members take a break at the March meeting.

meeting, but left them on my desk as I rushed out the door after having to work late. Since then, I had planned to scan it, but have not had any luck getting a good copy of it for Stan. I will bring copies to the next meeting (I promise!) and hopefully by then, I might be able to find some more information in the AMA Motorcyclist magazine or elsewhere.

Break was called at 8:05 and back to business at 8:25. We were entertained on the way back to our seats by Steve and Mitch singing to us, and then Steve explained the ride book pick-up process. I think he’s spent too much time as a dance instructor. The process looked nicely choreographed to me.

**Ride Committee:** Steve turned the floor over to Bill Nielson to go over some upcoming rides:

Virgil had information sheets for those participating in the ERC class coming up.

Dave Menges talked a bit about the “Have A Heart Project”. He plans to put together, with a little help, 250 Easter baskets. Candy was collected tonight, as well as an additional \$79.00.

Mitch talked to us about the Limon Loop ride. He also reminded us to set our clocks the night before for daylight savings, or we’ll miss it.

Ron Nardiello tells us it’s that time of

year again. He will pass around a sign up sheet for the Spring Highway cleanup at the next meeting. He and Joyce will host a pancake and sausage breakfast for participants before the cleanup. Way to bribe the membership!

Steve talked to us about the Sponsors Ride coming up. As always, it’s important to show our sponsors our support. Meet for breakfast at the Eggception Restaurant in Aurora. Address and route information at a later date.

Steve tells us we will review the past months rides, and the next months upcoming rides at each meeting, to stay on top of any changes, etc.

Nominations for the missing link award were as follows:

1. Skeeter – who buried his snowmobile in a ditch.
2. Skeeter – who got lost, and then buried his snowmobile in a ditch again.
3. Skeeter – who was riding his new Harley, which does not require the key to be left in the ignition. Seems he left the key at home, and was about to run out of gas, and didn’t have a key to unlock it.
4. Skeeter – apparently there were two more nominations for Skeeter, but I couldn’t hear them.
5. Steve Burgus was given a token nomination for something that didn’t ever register a single vote.

Missing link award went to, well if you can’t figure that one out, we know who to nominate next month.

## 50/50:

Ruth reported they collected \$165.00, with \$ 82.00 going to the club. And the winners were:

1<sup>st</sup> place Steve Burgess \$42.00  
2<sup>nd</sup> place Debbie Farnum \$26.00  
3<sup>rd</sup> place Dave Gochenour \$15.00

Dave forfeited winning 2<sup>nd</sup> place, since he pulled his own ticket when he won 3<sup>rd</sup> place. Is that honesty or what?

Motion was made to close the meeting by Cliff, and seconded by Karen.

Meeting adjourned at 9:05P.M. I'd say that more than made up for the late start.

### **Ride Committee**

Submitted by: **Bill Nielson**

As I sit here and write this, it is 58 degrees outside. Clearly warm enough to make a very enjoyable short ride. Riding season is just around the corner, and I try to get on the bike when ever possible. Even then, a little hour here and there just does not seem to be enough time. With the month of March coming to a close, and Spring has already arrived, I'm chewing at the bit! So, let's get our bikes ready for one heck of a good riding season!

I would like to again thank everyone for they're input to the Ride Book. It turned out fantastic! A special thanks to Lloyd Nicholson and Stan Stotz for their expertise in the layout and printing. Tim Hawkins followed up with inserting the ride data on the RMVTA web site. Stan and Tim have spent considerable time on keeping the web site current with

our past and future events. Good work guys!

The scheduled rides/events that have taken place this last month as of this writing were:

March 10<sup>th</sup>, Spring Polar Bear Ride – Ken Kenaston – Cancelled due to weather.

March 18<sup>th</sup>, 2-Up ERC – Virgil Kipers - See 2-Up ERC article for reschedule information

Upcoming rides/events:

March 31<sup>st</sup>, "Have a Heart" Easter Basket Assembly – Dave Menges

April 1<sup>st</sup>, Limon Loop Ride – Mitch Munson

April 7<sup>th</sup>, "Have a Heart" Easter Basket Giveaway – Dave Menges

April 14<sup>th</sup>, Spring Highway Clean-up – Ron Nardiello

April 21<sup>st</sup>-22<sup>nd</sup>, OPEN

April 28<sup>th</sup>, Sponsors Ride – Steve Inouye

May 6<sup>th</sup>, OPEN

Again, please reference the web site for any changes on the rides. See ya all on the road. "Rumble Buck"

### **2-Up ERC**

Submitted by: **Virgil Kipers**

The 2-Up ERC classroom training went off as scheduled on March 16, 2001 at Buckley AFB. Due to the weather not cooperating, we are rescheduling the class (remaining classroom and range) to April 22<sup>nd</sup> at Buckley AFB. There are also openings in Greeley on April 8 and 14<sup>th</sup> if that will better suit your schedule. Call Virgil Kipers at home 303-948-9504 for rescheduling.

Jim Hailey signs up for the 2 Up ERC course with Virgil Kipers.

## **Changes to Ride Schedule - Montrose Z-Bar, Las Vegas Vacation, and Continental Divide Three-Times Ride**

Submitted by: **Stan Stotz**

Here's the deal. It seems like the best-laid plans sometimes have flaws. Originally, the Z-Bar Ride was scheduled for June 2-3 and the Las Vegas crew was going to go along with them for the first leg of their journey. Floyd Thorne found out that the Z-Bar didn't open up until June 9. In other words...all dressed up and nowhere to go! Here are the changes for each of the 3 rides:

Montrose Z-Bar Chuck Wagon Ride has been rescheduled for June 9 - 10 and the Las Vegas Ride has been unattached to it. Everything in the Ride book except the date remains the same.

Las Vegas Vacation will leave on June 2 and go to Richfield, UT rather than Montrose. Details are below in the Las Vegas Vacation article.

Continental Divide Three-Times Ride is rescheduled to June 2 - 3. Everything in the Ride book except the date remains the same.

Please make the appropriate changes to your Ride Books. We will post any changes to the web page and also in future newsletters.

## “Have a Heart”

### Easter Basket Project

March 31<sup>st</sup> & April 7<sup>th</sup>, 2001

Submitted by: **Steve Inouye**

The Have a Heart Easter Basket Project is being sponsored by the RMVTA again this year. The project is broken up into 2 parts. On Saturday, March 31 we will assemble the Easter baskets at the Have a Heart Headquarters. On Saturday, April 7 we will meet to distribute the Easter baskets. The Easter Bunny will arrive on a motorcycle and the kids just love that. The kids seem to also be fascinated by the large motorcycles. Those who don't mind can allow the kids to sit on the motorcycles.

We took up cash collections at the February and March Meetings and raised close to \$200.00.

We are going to prepare 250 Easter baskets this year. These baskets will help put a smile on 250 underprivileged kids faces.

The meeting place for the March 31 Easter basket assembly is the Safeway parking lot at 74<sup>th</sup> and Federal (just South of the Boulder Turnpike). We will meet at 3:30 p.m. and depart for the Have a Heart Headquarters at 4:00 p.m. (they moved approximately 1 block North of their location last year).

The meeting place for the April 7<sup>th</sup> Easter basket distribution will be the K-Mart parking lot on the Northwest corner of I-70 and

Federal. We will meet at 7:30 a.m. and leave at 7:45 a.m.

We will hand out the Easter baskets from 8:30 to 10:30 and then take a motorcycle ride through the back roads to Severance, CO and have lunch at Bruce's. They are known for a famous Colorado specialty (not seafood). The ride is approximately 140 miles and should be a blast.

## Limon Loop Ride

April 1, 2001

Ride Leader **Mitch Munson**

Submitted by: **Stan Stotz**

Get out your calendars and mark Sunday, April 1 for the first annual Limon Loop Ride. We are meeting at the Target parking lot at I-25 and Arapahoe at 8:45 a.m. MDT (yes, this is the night you set your clocks forward). Be sure you are gassed up and have eaten breakfast. There is a Gunter Toody's in the same parking lot if anybody is looking for a good place for a hearty breakfast. The ride leaves at 9:00 and should be a great early-season ride. Yes, we know that we turn south (not north) from the Target parking lot like the ride book states. We hope to see you there.

Ride Committee Co-Chairs - Bill Nielson and Mitch Munson hand out the new ride books.

## Spring Highway

### Clean-Up

April 17, 2001

Ride Leader **Ron Nardiello**

Submitted by: **Stan Stotz**

I want to encourage many of you to participate in our semi-annual highway clean-up project on Highway 83 (Parker Road) at mile marker 42 about 10 miles south of Franktown. Ron and Joyce are planning on cooking pancakes and sausage for the early risers from 8:30 to 9:30 a.m. at their home or just meet the group at the clean-up site at 10:00 a.m. Be sure to leave early enough to allow for traffic, etc. If the weather holds up, we will take a motorcycle ride and lunch somewhere to be determined later. We always have fun at this function. The clean-up doesn't take long when we have a good showing of members. Ron and Joyce will have a sign-up sheet at the April 12 meeting or call them.

## Reg Pridmore's CLASS

### School Second Creek

#### Raceway

Friday, June 1<sup>st</sup>

Submitted by: **Bill Gillespie**

There will be a CLASS School at Second Creek Raceway on Friday, June 1st. CLASS is an advanced skills course instructed by 3-time AMA Super-Bike Champion Reg Pridmore. It is a full-day course including alternating classroom instruction and track time. You ride your own bike on the track. Reg's instructing technique is one promoting confidence in your abilities, once those abilities have been properly learned. It is not a racing school, but an advanced street-riding technique and confidence builder.

More information can be obtained by visiting Reg's website at <http://www.classrides.com/>.

I took my first CLASS at Laguna Seca in Monterey, CA in 1997. A wonderful experience! I am planning to participate June 1.

The cost of the CLASS is \$325.00 and payable directly to the CLASS School. Riders will also have the opportunity to "Ride with Reg" as his passenger on one of his VFR800s. This is not only a very instructional experience, it is definitely an "E-Ticket Ride".

## **Vegas Vacation Ride**

**June 2 – 8, 2000**

**Submitted by: Steve Inouye**

Hi all. Well here's the new plan. We originally were going to join the club ride to Montrose on Sat. June 2 and partake in the Chuck Wagon Dinner. Since we found out that the Z-Bar Chuck Wagon was rescheduled to June 9 - 10, we are going to go it alone on June 2. We will meet at 7:45 a.m. at the Sofa Mart Parking Lot at 6<sup>th</sup> and Kipling. The ride leaves at 8:00 a.m. Gas up and eat before arriving. We will go to Richfield, UT and spend the night at the Super 8 there (hotel information below). On Sunday June 3, we will head south on I-15 to Mesquite Nevada. We will take the second exit off the highway and will be staying at the Oasis Resort Hotel and Casino. The departure time from Mesquite will depend on the weather. If we get there and it's hot, we will probably leave fairly early on Monday morning in order to cross the desert while it's still cool. If, however, the weather is comfortable, we can mess around in Mesquite for a while and ride into Vegas at our leisure.

We will stay at the San Remo Hotel in Vegas, June 4th, 5th and 6th. We will depart Vegas at 7:00 am on June 7th and head north on I-15

to I-70, west on I-70 to Green River UT. We will stop along this stretch after getting off the desert floor to have breakfast. In Green River we will be staying at the Super 8 Motel. We will leave Green River at 7:00 am on June 8th., head west on I-70 back to Denver.

The hotel/motel information is as follows:

Super 8 Motel,  
1575 N. Main, Richfield, UT  
435-896-9204  
12 rooms blocked under RMVTA

Oasis Resort Hotel and Casino  
Mesquite, NV.  
800-216-2747  
Rate: \$39.00 per couple

San Remo Hotel and Casino  
Las Vegas, NV.  
800-522-7366  
Rate: \$59.00 per couple

Super 8 Motel  
Green River, UT.  
435-564-8888  
Rate: \$58.39 per couple  
\*There are six rooms blocked here at the Super 8 under the name of Rocky Mountain Venture Touring Assoc.

Hope to see as many of all of you as possible, it's shaping up to be a lot of fun.

**June 23 – 25, 2001**

**Submitted by:**

**Tom & Brenda Shumaker**

I have blocked 12 rooms @ the Best Western Cross Roads Inn, in Buffalo Wyo. for Sat. & Sun. June 23rd. & 24th. The rates are \$54.90 for single & \$60.90 for double. We will have 4 rooms down and 8 rooms up. All of these rooms have queen beds. They are holding the conference room for us for dinner provided we can have a good turnout. They would like to have at least 15 plus people.

To make reservations, call 1 (307) 684-2256 and ask for Lisa, and mention that you are with Tom Shumaker and the Rocky Mountain Venturing Association to get this rate. If Lisa is not there anyone else can help. As soon as we have a menu, we will share it with everyone. If anyone has difficulty making reservations, please call us at home, (303) 659-2231. This should be a fun-filled ride.

Welcome New Members,  
Jerry & Dawn Viola

### **Jerry and Dawn Viola "Cue Ball" (and "8 Ball?")**

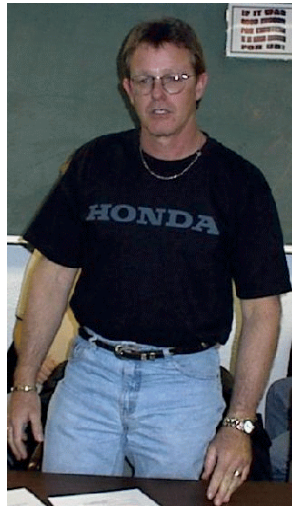

Jerry is from Buffalo, New York. He has lived in Colorado for the past 15 years. Dawn is a native of Colorado. She grew up near Colorado Springs. They met at a "function" shortly after Jerry moved to Colorado. They never did tell me what the function was. Let me know if you find out. They have been married for the past 14 years. Jerry was a service manager at Rocks Tire and Automotive. He currently works at the Boulder County Sheriff's Department in fleet maintenance. In fact, Jerry tells me that he is the fleet department for the entire sheriff's department. You know, one man responsible for all those patrol cars. He has been with the Boulder County Sheriff's Department for the past year.

Jerry has an associate degree from Arapahoe Community College in automotive mechanics. He is an ASE master certified auto mechanic (he understands all that diagnostic stuff) and a L1 advanced engine performance mechanic. Dawn is currently finishing up two masters degrees and plans to have that accomplished by May 2001. She should have her masters degree from Colorado University in Architecture. Her second masters degree will be in Construction Management from Colorado State University. Jerry has a daughter, Jeanna, going to medical school at Albert Einstein University located in the Bronx. She got her undergraduate degree at Columbia University. Jerry's son, Joseph, is a third year student at Columbia University studying for a Mechanical engineering degree. Jerry's youngest son, Jerome, is a freshman at the State University of New York at Bingham, studying economics. When I asked Jerry about a CB handle he said that he was thinking about "Cue Ball" because of him shaving his head. I suggested "8 ball" for Dawn. What do you think. After all if you want to win at pool the 8 ball is always behind the cue ball. When I asked Jerry about hobbies he told me that he fixes cars at his house on the side. that keeps him busy and helps keep the kids in college. He enjoys motorcycles as well of course. He bought Tim Hawkins bike, a 1986 Honda Shadow VT1100. Jerry and Dawn have a dog named Buddy. He is a "party Cocker" which means he is black with a white chest. He's all decked out in his tux ready to go to any party.

### **James and Cheri Casey**

James is originally from Johnstown, Pennsylvania. His family moved to Tucson, Arizona

and he graduated from Sahuaro High School in 1973. This is what makes this reporting job so fun. I attended Sahuaro High School the first year it opened in 1968 and would have graduated from there in 1972 if I had stayed. Cheri lived in Denver, Colorado and moved to Tucson, Arizona when she was in high school. They met at Sahuaro High school in 1971 and have been married ever since 1975. James tells me that their first date was on a motorcycle. It was a 1971 Honda 750. They went to the end of Swan road to "park." James and I started talking about cruising

James Casey introduces himself. James and wife Cheri are new members.

Speedway (the main cruising street in Tucson) and I found out that he still has the car that he used to cruise in back then. He has a 1969 Chevy Impala convertible. He bought it in 1974 and said that it is the second car that he has ever owned. James owned a 1973 orange Honda 750. Both James and Cheri attended the University of Arizona. Cheri has a degree in respiratory therapy. Cheri has owned her own business, which is a drug research clinic, for the past ten years. The pharmaceutical companies need independent research clinics to test their new drugs. Her company works on drugs for asthma. James works as a sales representative for Orlimar Golf Company. He has been in the golf business for the past 18 years. James and Cheri have two daughters. Falon is 17 years old and a junior at Pamona High School. Brandi is 13 years old and is in the 7th grade at Moore Middle School. Jerry restores motorcycles and cars. He currently owns a 2001 Goldwing, 1977 Goldwing, and a

restored 1970 Honda 750K0. The family enjoys snowboarding when they get chance.

### **Bob Houghston "Buffalo Bob"**

Bob has renewed his membership with RMVTA. He was a member of RMVTA from 1993 through 1998. He was active in the club selling ancillaries prior to him being president of RMVTA in 1995. He described himself as a wandering rider who has now regrouped and is back in the fold. Bob is a native of Colorado (all 60 years). He was born and raised in Arvada and graduated from Arvada High School. I asked him about his CB handle and he responded, "it just fitted me." Bob has four children and ten grandchildren (but whose counting). He has three daughters ranging from age 32 to 38. Two live here in the Denver area and one lives in Texas. Bob's son, Scott, is 29 years old and lives in the Denver area. He has his own trucking business. Bob has worked for Jefferson County for the past 12 years. He started as a mechanic and worked his way up to Road and Bridge supervisor in the rock crushing operation. He transferred to Jefferson County Highways and Transportation four years ago. He is currently an engineer inspector. Bob also works part time at Ace Express as a bus driver for charter trips. He has chartered the Broncos around as well as other professional sports teams. Bob told me that his first motorcycle was a 1977 Honda 1100. He owned the Magenta 1995 Goldwing before he sold it to JR and Robin Reynolds. Bob is a mechanic and works on his own motorcycles. He now rides a 1989 Harley Road King FL8C. Bob enjoys going to High School plays, water skiing, and racing

boats. He owned a real nice race boat that he basically built. He plans to go to Arizona the end of April for some boat races.
