## Officers Speak

Submitted by: John Redford

I hope this Officer's Speak finds you all well. Are you all as ready to ride, as we are? Sandi and I are certainly ready for this riding season. The bike has new tires, brakes, and a few other goodies that don't make it run any better, just look good doing it. I look forward to getting out with all of our RMVTA friends for some good rides, good company, and good ice cream!

I want to take this opportunity to thank my fellow officers and members who have volunteered their time and effort working in the various committees for a job well done. With their help, I know we can continue to make this club get better and better. There are a lot of creative minds in this club, so any input and suggestions from you, the members, are always welcome. Be safe, have fun, and we'll see ya on the road.

"Reddog"

in the world. Instead of where's Waldo it was where's John. He told me that he enjoyed his time in the Navy. He was involved in the evacuation in Beirut after our barracks were blown up.

John has been called Red practically his whole life. An old riding buddy of his tagged him with the CB handle, "Reddog." His brother is known as "Redbird" and his sister is known as "Redfish."

Sandi got her CB Handle, "Gypsy" because she traveled a lot as an Air Force "brat." Sandy's son, Robert, is 30 years old and lives in Texas. He has two children with his

ex-wife, Ayla, Age 13, and Racia. Sandy does not get to see them much. Robert has another daughter, Kyndra, age three years old. John and Sandi enjoy seeing Kyndra. John works for GBC Inc. and has for the past 17 years. He is a plant engineer and electrician.

Sandi just started a new job on 01/02/03. She is now working for Emerson Process Management as an administrative Assistant. It is a world-wide company that deals with manufacturing pressure transmitters and products used in oil refineries, food processing, and water treatment. John has gone on a yearly trip to Yuma, Arizona, every April since 1980. He has missed the last couple of years due to his back. On one of the rides to Yuma years back Sandi was supposed to go to Yuma as a rider with a good friend of John's brother. She was just in the process of breaking up with that guy. He couldn't go to Yuma so John's brother asked John if he wanted to take Sandi to Yuma, Arizona.

John is involved in Martial Arts, Jujitsu and Kumpo. John still has his 1973 Indian Motorcycle, 175 street and trail bike that he bought in 1973. He bought another Indian bike for parts. John rides a 2001 Harley Ultra Classic and they have a 2000 Sportster for Sandi to ride. Sandi enjoys collecting cookbooks. They have a Cairn Terrier, their "evil earth dog" that goes by the name of Chewee.

John and Sandi joined RMVTA in 1994 and have been active members. In the past they

## Minutes

RMVTA Minutes – April 10, 2003

Submitted by: Sandi Redford – Gypsy

The meeting was called to order at 7:30 p.m. by President John Redford. One guest was present, George Barrett, who had met up with one of our rides south of Eades. He rides a 2001 Blue 1800 Goldwing.

April meeting guest and recent ride guest George Barrett

### Committee Reports:

**Secretary:** Motion to accept March minutes by Bill Nielson, seconded by Nancy Frase.

**Treasurer:** Debbie Inouye reported that there is \$3,636.31 in savings, and \$655.24 in checking, for a total of \$4,291.55.

**Activities:** Janet & Chris absent.

**Ancillaries:** Bill & Jonna had nothing to report.

**Awards:** No report, Jeanie Hoedel absent.

**Finance:** No report, Jonna is done for the year.

**Historical:** Floyd reported that all is good so far.

**Member Relations:** Crane absent, no report.

**Membership:** Steve listed the members who had paid dues, but not in time to make the membership list. Contact Steve for that list if you need it. Steve then passed out the new list.

**Newsletter & Web:** Stan slowly stated that articles, etc. are due for the newsletter by the 23rd of the month. He also asked that ride captains send him reports on upcoming and past rides. Stan also mentioned that he has gotten a lot of pictures on the web site, so check them out. Also, our web site and domain name are secured for another year. Stan also mentioned that he had a very nice lunch with Joyce Kenaston.

**50/50:** Linda reminded everyone to buy tickets.

**Old Business:** There was discussion of a new meeting place. Art Valdez had checked on

the recreation center in Wheat Ridge, but we would have to sign up for it every three months. Other possibilities were the Jefferson Recreation Center, but would cost \$100.00 per night. Ron Nardiello offered his office as a temporary meeting place if Fay Meyers sells the old building, and also said the Realtors Assn. has an office avail at I-225 and Parker Road. He will check on that for us. Various members will be checking on some other sites, and we will discuss further at the next meeting.

**New Business:** Mitch Munson mentioned that a friend of his has a hydraulic lift available. Contact Mitch if you are interested.

Bill Gillespie shared a funny story with us, considering everything that has gone on with Fay Meyers. First the fire, then the blizzard. Bill was at Fay Meyers shortly after the roof caved in due to the storm. Everyone had to wear bright yellow hard hats, and he saw Gary Merrill (a Fay Meyers salesman) coming out of the office. Bill asked how he was doing, and Gary said he was doing fine, just waiting for the locusts.

### Ride Committee:

#### Past Rides:

**Spring Polar Bear Ride - March 15:** Bill Gillespie said they had a nice ride to Westcliffe, had lunch, and took the scenic route back. They considered changing the name of the ride to the Koala Bear Ride, it was so warm. There were 4 -5 bikes from Chapter C Free-wheelers, and clocked in 321 miles.

**Two -Up ERC - March 23:** The ride was delayed, due to the storm, and Virgil Kipers will try and integrate interested parties into other classes.

**Have-A-Heart Basket Assembly-April 5:** Dave Menges reported there were 18 people, and they had made between 250 – 350 baskets. They lost count. Afterward, everyone went to Three Margaritas for dinner.

#### Future Rides:

**Have-A-Heart Ride Basket Giveaway - April 12:** Dave Menges reported, as usual, we will have the Easter Bunny (aka.; Jerry Hatfield), at the Have-A-Heart Project location to help give away Easter Baskets. Afterward there will be a ride to Bruce's in Severance for lunch.

**Spring Highway Cleanup - April 13:** Ron Nardiello reported there would be breakfast at his house before the cleanup. Ron also announced that Joyce had retired, and that they had become Grandparents. Congratulations! Ron also mentioned they had seen a clean shaven (!) Merle Bolles. On a sadder note, they had also lost their little dog Bent-

ley. That's like losing a member of the family.

**Sponsor Appreciation Ride - April 26:** John Redford reported, as usual, we will be meeting at the Eggeception parking lot at 8:30 a.m. Show up early for a pretty good breakfast.

**Not-So-Plain Zig Zag Plains Ride - May 4:** The ride is scheduled to meet at I-25 & Arapahoe, in the Target parking lot. The ride is planned for 147 miles, and will be stopping for lunch at Guiseppe's in Colorado Springs.

**Swetsville Zoo Ride - May 10:** Steve Inouye is checking on any fee for this ride. This is a very interesting place to see unusual chrome and metal art. Details are in the ride book.

**Utah Loop Ride - May 24-26:** Nancy Frase reports that this ride is scheduled for Memorial weekend, and that reservations need to be made by May 11. Information is in the ride book.

**Missing Link Award:** Dave Menges was nominated by John Redford for not knowing how many baskets they had put together. There were no further nominations, so Dave was the Grand Prize winner again.

**50/50 Drawing:** Linda Thorne stated that \$75.00 total was collected, with \$37.50 going to the club, and the other \$37.50 distributed as follows:

1st	\$19.00	Bill Gillespie
2nd	\$11.00	Jonna Wright
3rd	\$7.50	Mitch Munson

A motion was made to close the meeting by Sandi Redford, and seconded by everybody. Meeting adjourned at 8:40 p.m.

(*"Spotlight" Continued from page 1*)

have been in charge of ancillaries and held offices. In 2001 John was Vice President and Sandi was Secretary. John is dedicated to bringing leadership to the club and focusing on the future.

## SPOTLIGHT ON SPONSORS

Fay Myers Motorcycle World  
9700 E. Arapahoe Road (at Dayton)  
Greenwood, Village, Colorado 80122  
Phone (303) 744-6632

Fay Myers Motorcycle world opened their doors at 2015 W. Alameda in 1948. Their store was located there from 1948 until May 11, 2002 when they opened their new store on E. Arapahoe Road. They have been in business for 55 years. Gary Myer is the

President, and Lloyd Liebetrau is the General Manager.

Fay Myer Motorcycle World is one of the nations largest dealers handling six brands of motorcycles. They carry Honda, Kawasaki, Suzuki, Ducati, Aprilia, and KTM. They have the largest selection of motorcycles to choose from, especially Hondas. They always have a complete selection of Hondas which includes all colors on all models of Hondas in stock. The new store on East Arapahoe Road has a huge showroom with a big parts department. I spoke with Jim Krebs who told me that they will always have the lowest prices on parts in town. The parts department is larger than the parts department was on West Alameda. Jim Krebs also wanted me to let you all know that they have a top notch Service Department as well. Everyone who works in the service department is a factory trained technician.

They have acres of parking at their new store on East Arapahoe Road. Jim Krebs told me that they are selling the building at 2015 W. Alameda and will only operate out of the one store on East Arapahoe Road. Fay Myers Motorcycle World is recovering from the snow storm that occurred here in March 2003 and damaged their roof. They have partitioned off part of the store and are running business as usual. They plan to have the building remodeled by the end of the year and it will be better than ever. Jim Krebs tells me that Fay Myers Motorcycle World likes to support motorcycle clubs such as RMVTA. I am sure that they would love and appreciate your business. Fay Myers Motorcycle World is currently open for business Monday through Saturday 9:0 a.m. to 6:00 p.m. Let's all support all of our sponsors.

**The Missing Link Award**

Prepared by: David Menges

This is an idea I feel has been a long time coming. Call me a sore winner, but once again I was awarded the missing link in my absence at last months meeting. This being the 3rd time in just over 6 months, and this time I was nominated by someone who was not even around at the time of the alleged infraction. The 3 times I have won were for, 1st spilling my pop at the meeting, 2nd showing up for the meeting, 3rd it has been alleged I can not count.

Is this the kind of thing that will impress outsiders of our dedication to the safe appreciation as well as the love of our motorcycles by a mature group? Maybe in the future we could use all the time and effort wasted in embarrassing ourselves and others and use that effort to reward someone in the club for doing something good and positive for the

club. Or, maybe thank someone for being a positive role model for all motorcyclists as well as our club members.

Let's try something new and create a positive message for all current as well as future members to our fine club. Let's make this a club they would like to join and be proud that they are members....Think about it... after all we always have the appreciation party to joke and rib the members about all the silly things we have done throughout the year.

"Redneck"

**Are You One of Them?**

Submitted by: Floyd Thorne

Are you one of them? "One of them what", you are no doubt asking. Are you one of them that generally attends the monthly RMVTA meetings and participates in several if not most of the rides planned and scheduled rides? One of them that attends the various parties and or gatherings in the off season that entertain and keep up coming together in the colder winter months when we don't, or can't ride as much? Are you one of them that help out with the couple of civic or charitable things that the club does, namely the Highway cleanup twice per year or the "Have A Heart" Easter Basket activity for the disadvantaged children?

Are you one of them, that due to your active participation in the club, is called upon often to serve on the executive committee or one of the various committee chairs and you gladly accept (let's not get totally carried away here Mr. "T"! ). Perhaps, I should state it that because of your active participation you are a likely candidate to be drafted. I can remember here a few years ago when an actual democratic election was held and thus by popular vote an Executive Committee was elected. Rather than the way it has been that two or three years when people have stepped up and accepted this awesome responsibility for the good of the club and it's continued operation.

Or, are you one of those? One of our VALUED "Card Carrying" RMVTA members that pay your dues each year so that you get a ride book and the monthly newsletter thus enabling yourselves to stay plugged in and thus see and read about all the fun that "them" are having. Don't get me wrong I am sure that "them" care for you all the same and wish that you would join "them" in all the fun. But, for what ever reason "those" are unable to, or unwilling to join "them."

I guess the moral of the story is that we need to get a lot more of "those" so that as a result we can get more of "them." I encourage

you all to join in and enjoy your club. You get out of it in direct proportions to what you put in. Also, I encourage you all to share our good news and invite "others" to take a look and or join the club. Don't be a secret agent and keep this fun opportunity to yourselves.

"Mr. T"

**PAST RIDES**

**The Easter Basket Rides**

Submitted by: Dave Menges

The Easter baskets were a huge hit again this year. Making a lot of less fortunate kids verrrrrrrry happy thanks to the whole club for a continued effort.

Group shot of volunteers who put the Easter baskets together for the kids

The assembly on April 5th went well , we had 18 members show up and in a combined effort literally throw together 247 baskets ( the number has been disputed) in what had to be a record time of 1 hour. Thanks to everyone for their contributions whether it be money ,time, candy, toys, or materials we couldn't have done it with out all of your help. When we finished the assembly we went to the 3 Margaritas Restaurant for some fun, and food, and to celebrate my birthday ( 7 months early) I hope everyone had as good a time as I did.

Easter baskets ready for distribution to eager kids

April 12th we met at K-Mart there were 19 members, 10 bikes, and 2 cars. We left a little after 8:00 a.m. leaving the bunny and his pilot ( Jerry and Linda

Hatfield) behind for a grand entrance. Thanks Jerry and Linda !!!! We rode to the Have a Heart Project Building where we were met by my sister Denise Menges (she provides the tables needed to hand out the baskets). Thanks Denise !!!!! By the time we had gotten there Denise had the tables set up and the baskets covering them and filling the whole bed of her truck.

We lined up the bikes and waited for the arrival of the bunny. We then handed out the baskets for about an hour and a half. After that we mounted up and had a slow ride north to Bruce's in Severance, Co. for lunch. Not too many takers on the house specialty but I think everyone had a great time. We then went our own way with some enjoying a longer ride into Wyoming while others rode home a route of their own choosing.

We were joined at the hand out by channel 2 & 9 news as well as the local Westminster window paper. Hope some of you saw us on the news Channel 9 aired at 5:00 p.m. and Channel 2 aired on the 9:00 news that evening. Thanks again to everyone for their help in making this a annual event that gives to the community and makes a lot of Kids very happy..... Thanks!!!!!!!!!!!!

"Redneck"

**Spring Highway Clean-Up**

Submitted by: Ron Nardiello and Joyce Hindman

It was sunny, warm, and the wind wasn't blowing. Those three qualities are seldom found on a highway clean-up day. But on April 13th, after a hearty sausage & pancake breakfast at Ron & Joyce's Parker home, we headed south of Franktown to attack our 2 miles of highway 83. 8 bikes and 2 vehicles carried 19 eager guys and gals to begin our 10th year of this civic duty. In spite of having the President and 4 past presidents in attendance, we still managed to get the job done in a timely manner.

Spring Highway Clean-Up Ride participants get ready to pick up trash in Highway 83

After the clean-up, 7 bikes headed South on Highway 83 to Colorado Springs and then West on Highway 24 to Woodland Park for a delicious Mexican lunch. From there it was North on Highway 67 thru Deckers and Pine to Pine Junction, then East on Highway 85. It

was a full day for all, and with the temperature reaching 80 degrees, we got a glimpse of what the next 6 months will offer us avid bikers.

Robin demonstrates how the reflective safety vests "lift and separate"

It was a great day for all, but to find out what treasured items were found, and who will be the recipient of the coveted "Golden Horseshoe" award, you will have to be in attendance of the May meeting.

"Renegade & Clipper"

**UPCOMING RIDES**

**Not so Plain Zig Zag Plains Ride**

Sunday, May 4, 2003

Submitted by: Jerry Henn

Hello RMVTA members. I was asked to give a short blurb on the upcoming ride I'm leading on May 4th. I would say it is a good warm-up ride for the summer but I'm sure most of us have already been out and have been warming up as a result of the great weather we've been having. Maybe we can call it our official warm-up ride!

I thought it would be a good idea to stay on the "flat lands", away from the mountains, where the likelihood of finding sand still on the roads is great. I remember a few years back when an experienced rider and his son hit sand in a curve near Deckers. The rider had to be airlifted out and the son leaped off the bike and was not hurt at all! I don't think the rider is riding anymore!

Anyway, a back-road ride to Elizabeth, Kiowa, Elbert, Falcon and Colorado Springs is fun once in awhile, especially this time of year. From the Springs to Palmer, to Wolfensburger Road to Castle Rock and Franktown and on into Denver can also be nice. It's in the ride book and I'm looking forward to it.

Hope to see you on the 4th

"Mox Nix"

**Swetsville Zoo Ride**

Saturday, May 10, 2003

Submitted by: Steve Inouye

Hi everyone, just a reminder from the Grasshopper about the Swetsville Zoo ride. It's still a go for May 10th and will leave the 120th and I-25 Holiday Inn parking lot at 9:00 a.m. Lunch will be at Bruce's Restaurant in Severance Colorado. They have already been alerted as to our arrival and will have tables ready. It's a short, leisurely, but fun ride and we hope to see a lot of you there. I will have the cost of zoo tour as soon as this information is available from the zoo, probably at the May 8th meeting.

"Grasshopper"

**Old West Ride**

Sunday, May 18, 2003

Submitted by: Kim Spickard

Imagine stepping back into an 1860s frontier town today! Watch costumed characters roam the streets. But, head for cover when the gunfights break out. Remember Cat Ballou, The Cowboys, True Grit, The Duchess and the Dirtwater Fox. These are just a few of the many movies shot on location at Buckskin Joe. Ride the scenic railroad. Quench that thirst with a sarsaparilla or a shot of Red Eye, in the Silver Dollar Saloon. Enjoy a Buffalo burger in the Gold Nugget Restaurant.

The year was 1859. Gold was discovered in South Park and the rush was on! Hordes of gold-seekers spilled into the Park, and within a few short months the mountains were dotted with mining camps sporting names like Tarryall, Leavick, Eureka and Buckskin Joe. These camps grew to become boomtowns, thriving communities on the edge of the frontier. Gradually the mining dried up and the people moved on, leaving their towns and camps to the elements, until all that remained were decaying ghost towns. South Park City is a remarkable restoration of these early towns. Thirty authentic buildings and 60,000 artifacts portray most of the economic and social aspects of boomtown life.

So, polish up those spurs and join me at 6:45 for ride to the past. We will leave the Target Parking lot (I-25 & Arapahoe Road) at 7:00 am. \$20 should pay for all admissions to both areas.

**T.B.D. (Two-eight-five, Breckenridge/ Denver)**

Saturday, June 7, 2003

Submitted by: Art Valdez

Don't forget the perfect short ride of the year. There's a good chance of experiencing all four seasons on this ride. It's only about 188 miles, but there are several thousand feet in elevations changes. You'll be able to experi-

ence Colorado's varied topography, climbing from plains, to parks, to above timberline. Plus, you'll be home in plenty of time to mow the lawn and catch an early movie. How can you beat that!

Thanks...See you there. Art

**1st Annual RMVTA Memorial Ride & Bear Tooth Pass Tour**

Submitted by: Floyd & Linda Thorne

I would like to remind you of a couple of upcoming rides that you will need to plan ahead for.

First, we have our "1st Annual RMVTA Memorial Ride" coming up on June 28, 2003. This is, if you will recall or if you refer back to the February, 2003 Newsletter, a new ride planned as an annual activity to reflect and remember our fallen brothers and sisters in the club. This is an activity that will incorporate a motorcycle ride coupled with an eating activity. We will be going to Sylvan Dale Guest Ranch for a "Steak Ride." The fee for this will be \$48.00 per person. We will need to get a firm head count probably by no later than June 20, 2003. I know that this may seem like a lot but would like to see a large turnout as a memorial tribute to our members that have left us prematurely.

Secondly, we have the "Bear Tooth Pass Tour" that leaves on July 3, 2003 and makes our way to Cody, WY for the night. We will watch the parade on the morning of the 4th of July and then travel to Laurel, MT by way of the "Chief Joseph Scenic By-Way" and then "Bear Tooth Pass" both of which make up some of our country's most beautiful motorcycling routes.

In Laurel, MT their claim to fame is the BIGGEST and BEST fireworks display in all of the BIG SKY State - Montana. I have not seen it but we are going to check it out.

This trip has a pretty good day ride on the front and back but should really be a pretty relaxing 4th of July other than that. I look forward to having a good crowd on this one too. We will need to have our room reservations in at the Skyline Motor Inn for July 3rd and July 5th in Cody by June 1st, 2003. The phone number there is (307) 587-4201.

You will need to get your reservations in to the Super 8 in Laurel, MT for July 4th by June 15th. The number there is (406) 628-6888.

If you need any more information regarding these two rides look in your ride books, on the WEB Site, or get in touch with me. Ride safe and have FUN.

Floyd and Linda Thorne  
"Mr. T and Mrs. T"

**Utah Loop Ride - Memorial Day Weekend**  
Saturday, May 24 - Monday May 26  
Submitted by: Nancy Frase

The Utah Loop Ride will cover over 800 miles in three days, with plenty of time to explore the Vernal, UT and Green River, UT areas. Here are some of the places you could check out on this trip!!!

Flaming Gorge Dam, Flaming Gorge Reservoir, National Scenic Byway, historic sites, Dinosaur National Monument, Dutch Johns Community, Vernal, UT, Manila, Roosevelt, Fort Duchesne, Green River, UT, Crystal Geysers, Swasey Beach & Rapid/Nefertiti, Sego Canyon, Goblin Valley State Park, and Black Dragon Pictograph.

I have posted several pages of additional information concerning each of the above sites on the RMVTA website at [http://www.rmvta.com/rides/03\\_UtahLoop.html](http://www.rmvta.com/rides/03_UtahLoop.html). Please feel free to review this information and come along for the ride. It should be a blast. The hotel information is posted on the web and is included in the 2003 Ride Book.

"Little Shaver"

**FOR SALE**

1982 Honda Goldwing 1100 Aspencade, 2-tone brown and gold, CB, am/fm stereo cassette, intercom. The bike has 57,000 miles on it and the engine has about 12,500 miles on it...replaced in June 2002. Runs great, looks good and is in very good condition. Asking \$2,950, tele; 303-431-1085, or e-mail [d1m2247@earthlink.net](mailto:d1m2247@earthlink.net)

**Bike Dolly:** This handy article is for those who are "space challenged" in their garage. Simply ride your bike onto the 9-caster dolly, put the kick stand down, and easily move the whole thing into any corner of your garage. Then just roll it out and ride the bike off. Made of heavy gauge steel, and will stand up for tight storage when not in use. Individual cost: \$395.00 plus freight. With a group purchase of five or more, we can get them for \$295.00 plus minimal (around \$25) freight. Contact Bill Gillespie, 303-781-0032.

**Helmets:** 1) Shoei Z-11 - medium - full face - pearl white with Goldwing intercom speakers, etc. - bought last summer - paid \$450.00 2) HJC open face - Goldwing intercom speakers, etc. - purple - make offer for either or both - (303) 816-0159

1996 Honda ST1100, ABS2/linked braking system, PIAA driving lights with Ron Major mounts, MR Accessories shelf, Clearview +4" windshield + stock shield, rear luggage rack, MEZ4 tires, 58,000 miles. A well cared for bike, \$6,995 to a club member. Call Bill Gillespie, 303-781-0032 or 303-758-8804.

Five-gallon auxiliary fuel cell for GL-1500. Takes up about half the trunk. Price of tank and all accessories needed to install the whole system \$400.00. Installed complete: \$500.00. This is the new cell from Ken Kenaston's bike. All funds will go to his family. Call Bill Gillespie, 303-781-0032

1993 Honda ST1100 Sport Touring - Candy Apple Red - excellent condition - 41,000 miles - extras include luggage rack, passenger backrest, tall windshield, service manual and newer tires - \$5,400.00. Call Larry at (303) 690-9517

2002 Honda Goldwing GL1800 - Orange - 800 miles - new in December 2002 - no options - \$14,200.00 Call Jack Anderson at (970) 669-7944 (Office) or (970) 669-7423

**"THE OUTHOUSE"**

Ma was in the kitchen fiddling around when she hollers out...."Pa! You need to go out and fix the outhouse!" Pa replies, "There ain't nuthin wrong with the outhouse." Ma yells back, "Yes there is, now git out there and fix it." So.....Pa mosies out to the outhouse, looks around and yells back, "Ma! There ain't nuthin wrong with the outhouse!" Ma replies, "Stick yur head in the hole!" Pa yells back, "I ain't stickin my head in that hole!" Ma says, "Ya have to stick yur head in the hole to see what to fix." So with that, Pa sticks his head in the hole, looks around and yells back, "Ma! There ain't nuthin wrong with this outhouse!" Ma hollers back, "Now take your head out of the hole!" Pa proceeds to pull his head out of the hole, then starts yelling, "Ma! Help! My beard is stuck in the cracks in the toilet seat!" To which Ma replies, "Hurt's, don't it ?!"

**The Deadline for the Next Newsletter is May 23, 2003**
